Solo and Ensemble

Practice Practice Practice!!!!!!!

ONE month away until festival!!!

****If you are doing a Solo, It would be a great idea to start looking for a piano accompanist now, We have numbers for you to call if you are in need of a pianist. !!****

Please make sure to number your music and the judges music (original score) for festival.

This is a must in order to attend the festival.

Scales, Get Them Done! Reminder that we will not be here on Friday to listen to your scales.
