Solo and Ensemble

Start thinking about whether you want to be apart of it this year. Get a group of friends together for some ensembles.

I will be asking that everyone tries to be involved in solo & ensemble this year. It's something some of us haven't done and would be beneficial for all of us.

Interested in some class tutoring? Stay off the D & F list!! Come see one of us so we can help find you a tutor to help you understand your class work :)
